May was definitely a busy month! Started with the Elkins Memorial Fishing Clinic, elections and then our annual awards banquet.

We can't thank Bill & Sandy Copland enough for all the donations they obtained for our Annual Howard Elkins fishing clinic. We had lots of volunteers to help us with the event too. We were able to give away 123 fishing poles & 52 cast nets along with bags filled with goodies and event t-shirts.

We welcome Karen Sluman as our newest director on the Board.

Our banquet is where we give out our trophies for the Fall & Spring Skeet Shoots, Plaques for our big sponsors for our show and plaques for our big sponsors for the Elkins Memorial Fishing Clinic. Membership awards are also presented.

Hunting is the least of their worries

Two deer hunters met in the woods. The first one said to the other, "Boy am I glad to see you, I've been lost for hours." The second deer hunter said, "That's nothing, I've been lost for a week."
Try and try again

Two deer hunters hired a pilot to take them way back into the forest. After the hunt, the pilot returned and saw that they shot six deer. "The plane won't carry six deer, you'll have to leave two of them," said the pilot. Unwilling to leave their deer, the hunters said "We got six on the plane last year." The pilot gave in, and just five minutes after takeoff the plane crashed into the forest. Lucky to be alive, one of the hunters said, "Any idea where we are?" The second hunter said, "Yeah, right about where our plane went down last year."
